

# Lewis & Clark Summer Expedition

You head into Idaho. Visit <http://lifeasafieldtrip.com/lewis-clark-summer-expedition-week-eight/> to read more about Lewis & Clark's time in Idaho. Then choose:

- A. Visit a museum or educational center that features the fur trade era. Write about the how buying/trading for things today are different *and* similar to the fur trade era ways.
- B. Set up your own trading post at home with a friend or sibling. Pretend to trade goods and services. Then write about how it went. Do you prefer buying things with money or trading?
